### PRESIDENT'S MESSAGE

By John Draftz

Our August meeting will be on the 23<sup>rd</sup>. Please note there are five Saturdays in August and we'll meet the 4<sup>th</sup> one. We'll start running trains around 8:30am with the meeting starting at 10. The theme for this meeting will be "Guess the Heat". Bring an item for your entry. One entry per member. The last 2-3 numbers of the engine or rolling stock will be your way to guess the heat at 11am that day (we will call the National Weather Service for the "official" number). In case of duplicate numbers, the first one submitted to the secretary gets it. The closest guess wins six red raffle tickets. In case of a tie, both win six tickets.

**Who needs a transformer when I have the "power" in my hands?**

The Central Arizona Model RR Club's "Beat the Heat Meet" will be August 16<sup>th</sup> from 9-1 at the Prescott Activity Center on Gurley Street. The

GCMR bus has been reserved and is open to non-members but seating is limited. Dave Brown is the point of contact and he indicated that there would be a layout stop available only for the bus riders. Please contact Dave (480-650-5336 or [eaglefour@juno.com](mailto:eaglefour@juno.com)) for more details and to reserve your spot on the bus.

We will have a club potluck on Saturday evening, September 20<sup>th</sup>, at George & Dolores Bean's house (14950 Poinsettia Dr, Surprise). The Beans will provide hamburgers and hot dogs and the club will provide beverages. Members are asked to bring either a salad or desert to share. More details later. The goal is to simply meet each other (and significant others) beyond that of a business meeting.

The September theme was the pizza meet - beverage cars (beer, wine, soda pop, etc). With that Saturday now being our mini-meet, the pizza meet will be moved to October to avoid possible problems with the general public being present.

The format of the mini-meets will be:

- |           |  |
|-----------|--|
| 0080-0830 | Sellers set up sale tables.  |
| 0830-0900 | Start regular meeting (secretary & treasurer report, monthly raffle ticket sales).                   |
| 0900-1100 | Meeting suspended and doors open to the public for swap meet. The public becomes our invited guests. |
| 1100-1130 | Meet raffle drawing. Sellers pack up sale tables.  |
| 1130-1200 | Regular meeting reconvened (old business, new business, monthly raffle drawings). George Bean        |

(623-975-3823 or [geowbean@verizon.net](mailto:geowbean@verizon.net)) is coordinating sale tables. Only members can get one and they're free but the supply is limited. Contact George to reserve one.

Dave Brown (480-650-5336 or [eaglefour@juno.com](mailto:eaglefour@juno.com)) is in charge of operating display layouts at the meet. Contact him if you would like to set up an operating layout. There will be a meet raffle prize with a must-be-present-to-win drawing at 11am. Tickets will be \$2 each or 3/\$5.

Our next public venue will be Scottsdale's Railfair on October 11 & 12 where we'll have both the mobile layout and the modules on display. Our trailers, engines, and rolling stock are in need of servicing. If you have skill in those areas and are willing help, please let the BoD know.

See you August 23<sup>rd</sup> at 8:30. Remember to bring a Guess the Heat entry.

the winner is 6 red tickets for the day's drawing.

### Show and Tell

- Jack Eaton brought an MTH General engine. It sounded great but to quote Jack "It was a mess."

- Bill Lazenby brought an engine from his childhood, a Lionel Great Northern 44 ton diesel.

- Four kit bashing static displays:

+ George Bean brought an M10,000 he modified. It has an ALCO motor and was powder coated and chrome plated. He also added lights, people, and a smoke unit.

+ John Draftz had a tender with an AMTRAK logo painted on it.

+ Dave Brown brought a module of a petroleum depot that he is working on.

### Old Business

- Swap Meet chair: John Draftz will serve as the de facto swap meet chair with the board of Directors assisting.

- John Draftz reported that there is no new information on a permanent location. George Bean reported on his findings on this subject from the west side. El Mirage has a new park. There is also the possibility of a rental building available in El Mirage. Barbara Turner will look at the possibility of something being available in Mesa, possibly in Pioneer Park.

- The mobile layout needs servicing. George Bean will see to the servicing of the O Gauge engines and John Draftz/Bill Richardson will see to the S Gauge. Bob Dennison will provide some needed couplers for freight cars.

- Further action on the trailer work day and mini swap meet was tabled for the BOD.

### New Business

- The possibility of an event in Surprise, a December Art Festival, was mentioned. George Bean will look into this.

## **THE MAIN LINE**

**Peter Atonna, Editor**

**25375 N. Feather Mountain Rd.**

**Paulden, AZ 86334**

**As noted at the July meeting, the Beat the Heat bus tour attendees will be visiting not only a special layout, not open to the rest of the attendees, but also, the last public showing of the Atonna's Seligman and Paulden lines as demolition begins following. But, also, and only for those on the bus trip, there will be goodies for sale at the Atonna's that were not at the swap meet.**
